

Germany can keep its 'friendly advice' to itself

Lasting security for a Jewish and democratic Israel will not be possible without a viable and democratic“
Palestinian state,” German Foreign Minister Frank-Walter Steinmeier said in a speech to Israel’s citizens in
.honor of the 50th anniversary of diplomatic relations between Israel and Germany

Unfortunately, this sentence points to arrogance – once again, a German thinks he knows better than the
.Jews what is good for them – but also to a blatant intervention in our national affairs
