

# Spain's proposal smells of anti-Semitism

By Dr. Guy Bechor

*Op-ed: Spanish government's decision to grant nationality to the descendants of expelled Jews is based on the classic anti-Semitic perception that Jews control the global economy.*

*The Spanish government's decision, which Portugal appears to be joining too, to grant nationality to the descendants of expelled Jews is infected with anti-Semitism – no less. These .countries must shelve it in order to save their honor*
